10) I have inspected the spot along with the Mayor, Commissioner, Executive Engineer & the Health Officer of the corporation on 2-11-50 the grounds urged in the resolution to drop the Acquisition are not convincing. The spot in question is very adjacent to the present Harijan colony the number of sites that will be available is not so important as the suitability of the place If they require more sites after acquiring the one in question, that could be dealt with separately the Harijans of that Colony who were present at the time of spot inspection urged the need for the acquisition of the same land, therefore, I am convinced after spot inspection that the resolution of the corporation to withdraw the Acquisition is not based on substantial grounds & hence the Acquisition need not be withdrawn

Janab Khaleel enquired why the matter was referred to the Standing Committee (Taxation and Finance)

The Mayor replied that as the matter related to the acquisition of land it was referred to the Standing Committee (Taxation and Finance)

Janab Khaleel enquired about the amout involved

The Mayor replied that the amount involved was more than Rs 5,000/-

Janab Khaleel pointed out that the present day policy of the Government was to favour the Harijan community and the Corporation must also adopt the same policy He did not see any reason why such a petty matter should be opposed As per Sri Pujadaliah's statement if the land was given for use as a Harijan colony, about 19 Harijan families could be accommodated They should not give room for any dissatisfaction in regard to the matter. It was time that the Corporation should help the community in question and provide them with accommodation The proposal put forth by Sri Pujadalish might be accepted

The Mayor then put the resolution moved by Sri Munivenkatappa to the meeting and it was passed by a majority

SIR,

Subject ACQUISITION OF PORTION OF SURVEY NO 302, JODI KEMPAPUR AGRAHAR, FOR FORMING SITES TO THE HARIJANS OF GOPALAPUR

Sec MAs

With reference to the above, I write to state that Government in their letter No 5199/51-52 dated 21st August 1951 stated that the Hon'ble Minister for Local Self-Government inspected the spot with the officers of the Corporation on 2nd November 1950 and it was agreed that there was no reason for reconsidering the orders already issued to proceed with the acquisition The said Govt order was placed before the Corporation for their information The Corporation at their meeting held on 13th November 1951 did not accept the said Govt order but reiterated the old resolution of the erstwhile Municipal Council dated 2-8-1949 and resolved to drop the acquisition proceedings on the portion of the land in question A copy of the said proceedings is herein enclosed for reference

In the above circumstances, I request that orders of Government may kindly be obtained for withdrawing the acquisition proceedings on the portion of Survey No 302 comprising an area of 1166 2/3 sq yards or 9 63 guntas out of the total extent of 2 acres and 18 guntas acquired and also to deduct the value of the said portion out of the total award amount of Rs 4226-4-0

while depositing the compensation in the Civil Court under section 30 Land Acquisition Act.

In this connection it may be stated that the reconveyance of the portion of the land in question to the owners, as suggested by this office in the previous correspondence, does not appear to be a feasable suggestion but the said portion may be withdrawn from the acquisition proceedings under section 48 Land Acquisition Act, as the possession of the said portion of the land has not yet been taken by this Corporation Accordingly a draft withdrawal notification has been prepared and sent herewith for favour of needful action

RESOLUTION PASSED AT THE ADJOURNED MEETING OF THE CORPORATION OF BANGALORE, HELD ON 5TH OCTOBER 1951

---

13 Deferred subject - No 40 dated 12th September 1951
Letter No L 12804-C.M 6-50-63, dated 17th March 1951, from the Secretary Local Self Govt Department, that there is no reason to reconsider the orders already issued for the acquisition of survey No 267 of Jodi Kempapur Agrahar Village (Spot inspected by the Corporation on 27th July 1951)

Sri H S Seetharam moved the following resolution -

"Resolved that a bit of land with the Nagadi Road frontage (full length) and 25 ft depth be left away to the owner and the remaining land be acquired "

Sri C Rajagopalachar seconded the resolution

Sri H S Seetharam observed that this was a matter pending for several years and it was most unfortunate that it should have been hanging on for such a long time The erstwhile Municipal Council as also the Corporation had reiterated the resolution for acquiring survey No 267 of Jodi Kempapur Agrahar but the Government had not accepted the resolution of the Corporation It was therefore desirable that the matter should be decided in such a way as would be acceptable to all concerned He suggested that the bit of land of about 25' depth facing the Nagadi Road be left over to the owner of the land and the remaining land be acquired for the purpose of accommodating the harijans By accepting such a proposal, not only the party will be benefitted to some extent, the harijans would also be benefitted to have their quarters He hoped the resolution would meet with the approval of the Hose

Sri Rajagopalaraju -

Sri K M Naganna desired to know if the party had agreed for a such a proposal as suggested by Sri H S Seetharam

The Commissioner replied that the spot had been inspected and during the course of inspection the party was also present and had given his consent orally He had not stated in writing agreeing to have only the frontage portion of about 25 feet depth

Sri K M Naganna wanted to know whether a resolution of this kind would if any way help to drop the acquisition proceedings in respect of a portion of the S No and whether it was not necessary to issue a withdrawal notification in respect of the portion to be left over to the party

Dr Sreekanteswar observed that a resolution of this kind would not be of any use in the matter of dropping the acquisition proceedings only in respect of a portion of the survey number which had already been acquired in accordance with the prescribed procedure It was therefore necessary that the entire S No should be acquired and a separate resolution should be passed to leave a certain portion of it to the owner

The Commissioner informed that the land had been acquired for a public purpose During the course of inspection of the land the owner was also present and a sort of compromise was arrived at by which the owner was agreeable to the proposal and the harijans also agreed to the same If the House were to agreeable to the principle, the entire question would be examined, whether partial withdrawal could be adopted Legal opinion would be obtained before taking further action in the matter

The Mayor put the resolution moved by Sri H S Seetharam to vote and was passed
